

Sish Ahemmed Shozol

sishahemmed102@gmail.com; +8801735746667;
linkedin.com/in/sishahemmedshozol;

Education:

Khulna University	Jan 2020 - Present
B.Sc in Statistics.	
Dhaka City College	July 2017 - Jun 2019
• Cumulative GPA in H.S.C.: 5.00/5.00	
Govt. Sara Marwari Model School & College	Jan 2012 - Jun 2017
• Cumulative GPA in S.S.C.: 5.00/5.00	

Skills:

Programming Language: Python, C/C++, SQL.
Text Editor: Visual Studio Code, PyCharm

Software Tools: Microsoft Office Suite, Google Suite, Tableau.

Problem Solving:

[01] Kaggle Competitions Contributor.	kaggle.com/sishahemmed
[02] 100 problems solved in URI online judge.	urionlinejudge.com.br/judge/en/profile/227574

Online Course Completion:

- Differential Calculus through Data and Modeling. coursera.org/verify/specialization/45Z8YUHQKWK4
- Linear Algebra. coursera.org/verify/L4YEYL9CKJS3
- Python for Everybody Specialization. coursera.org/verify/P93EDGF7BATK
- Statistics 101. courses.cognitiveclass.ai/certificates/6e36b50de29742cd9b953bdef7ae7237
- Data Science Bootcamp Program

Projects:

[01] Predicting House Prices with Regression using TensorFlow:

This ML project can predict House Prices in a particular area using TensorFlow. Data cleaning, feature engineering, and data visualization are also applied here.

The technology used: Numpy, Pandas, Matplotlib, TensorFlow. coursera.org/verify/ZHRWPLAVXNC4

[02] Titanic - Machine Learning from Disaster:

Used machine learning to create a model that predicts which passengers survived the Titanic shipwreck. Data cleaning, feature engineering, and data visualization are also applied here.

The technology used here: Numpy, Pandas, Matplotlib, Linear-regression.

Achievements:

• Extra-curricular Activities:

Participation: 5th BDBO-Samakal National Biology Olympiad, 2019.

Position: 2nd Runner Up in Dhaka South Region, Category: Higher Secondary.

• Voluntary Work:

[01] Executive Member at কালের কণ্ঠ-শুভসংঘ, ঈশ্বরদী

Mar 2017 - June 2017

[02] Venue Manager at 1st DCCDC National Debate Championship 2018.

Interests:

- Research, Teaching.
- Watching Cricket and Football matches.
- Reading Harry Potter.
